Record Turnout for Pedal & Whine!

This year's Pedal & Whine Bike Tour was our biggest ever, with 390 registered riders! To commemorate this milestone event in our club's history, this issue is devoted entirely to pictures from the 2018 Pedal & Whine Bike Tour. A special thanks to all of our members who helped make this event a success, from riders who enjoyed our ride to the volunteers who painted the road markings, served food and drinks at our rest stops, checked in all of our riders and registered 47 more individuals who showed up to ride on Saturday, and to the board members who carefully planned and promoted this event over the course of the preceding year!

I hope you enjoy this issue of our newsletter! *Mike*

Lesley Sauceda of Jackson was the happy winner of a brand new Giant Liv bicycle at our first bike give-a-way for pre-registered riders. This bike was purchased for the give-a-way by the club at a great price from P&T Fitness. Thank you George!

We opened registration early this year due to the forecast of 90+ degrees. 7:30 a.m. and we were already busy.

Jeff Dayss and Frank Thomson sharing some love before getting on the road. Our SAG drivers were busy this year - handing out cold bottles of water and rescuing riders stranded by mechanical problems or overly friendly dogs. One rescue took place on the SCV driveway when a rider's chain broke before she reached the pavement on Walz Road!

Bonnie, Hannah and Jordan Gretzner were ready for the riders when they arrived at Pleasant Lake. Do you think we had enough cookies?

Roy Rider and Chris Kohn taking a break on the new 70 mile route

Happy riders!

More happy riders!

I keep wondering why our ride gets more popular each year. Do you have any ideas?

Maybe its the food!

Sisters!
