For many of us, DALMAC is the ride we think about and prepare for all spring & summer. Here are a few pages of photos from this year's 46th edition of Michigan's classic, annual multi-day ride from Lansing to Mackinaw City.

Pedal & Whine Bike Tour 2017

The Cascades Cycling Club's 2017 Pedal & Whine Bike Tour will be held Saturday, August 5 at Sandhill Crane Vineyards. Heather Price of Sandhill Cranes has promised us that next year our ride will be the only event she will book for August 5. In addition, Heather pledged to change the menu back to the delicious and very popular lunch she served our riders in 2015. Yum!

This ride just keeps getting bigger and better each year, with 246 riders this year. Registration will be opening soon for the ride that is rapidly becoming a summer classic!
